## 1 Introduction

### 1.1 Scope and Purpose

This guide has been written for administrators, which covers Tutorial Officers, Finance Officers and Senior Tutors. Not all sections will be available to all of these Roles.

### 1.2 Useful Links

CamCORS can be accessed at <https://apps.casc.cam.ac.uk/ors>.

New Supervisors must apply for an account at <https://apps.casc.cam.ac.uk/supervisor-application>.

Contact the CamCORS helpdesk [help@camcors.cam.ac.uk](mailto:help@camcors.cam.ac.uk) for support.

### 1.3 Document Conventions

In this document capitalised words usually refer to CamCORS terms. For example, 'Students at your College' refers to people with the CamCORS Role Student, not all students at your College.

Menu options or Home page buttons are referred to using *Lookup > Payment rates* or *Home > Report Search*.

Links and button names are shown in single quotes eg 'View'.

### 1.4 Glossary of Terms

Here are some terms that will be useful when reading this guide. A more comprehensive glossary is given in [Appendix A](#).

#### *Activity*

An activity that a Non-supervision Report can be written for eg Study Skills.

#### *Category*

A category for which a General Claim can be made eg Invigilation.

#### *Claim*

Any Supervision Report, Non-supervision Report, or General Claim created in CamCORS.

#### *Claimant*

A person who is making a claim for payment from your College. They require the Supervisor Role.

#### *Claim Event*

A Report or Claim can have multiple events. For example:

- Exported

- Posted

### *Claim State*

A Report or Claim transitions through several distinct states in CamCORS. The Claim States are:

- Draft
- Returned
- Submitted
- Approved
- Refused

### *Claim Type*

The Claim Types are:

- Supervision Report
- Non-supervision Report
- General Claim

### *Course*

A Course consists of Tripos Parts and Papers. Course Directors and Course Co-ordinators can see Supervision Reports based on their Courses.

### *General Claim*

Work that is not related directly to a Student. For example, invigilation, marking, etc.

### *Payment Option*

The way in which a Supervisor elects, or is allowed, to be paid. For example, Direct payment or Via payroll.

### *Report*

A Report provides feedback on a Student to their College. It also provides the information required to pay the Supervisor. There are two types of Report, Supervision and Non-supervision.

### *Supervision Report*

Report on a Student given classes for Tripos-related teaching.

### *Non-supervision Report*

Report on a Student given classes for skills-related teaching.

### *Role*

A User always acts under a specific Role and Institution. The Role and Institution determine what they can do and for which Students.

## **2 User Accounts and Roles**

### **2.1 Raven**

A User must have a Raven account to login to CamCORS.

Raven accounts are provided by UIS. Contact your College IT office or UIS for help with Raven.

### **2.2 Role Access Control**

Access to CamCORS for Raven-authenticated Users is managed using a separate application called Role Access Control (RAC). A User must have a RAC record and at least one Role. They can have multiple Roles at multiple Colleges.

RAC records are either assigned automatically by the CamCORS application (eg the Student Role) or by the CamCORS helpdesk (eg the Tutorial Officer Role).

### **2.3 College Roles**

Menu items for each College Role are shown in [Appendix B](#). This may be useful if you need to provide support to other College Users.

#### *Tutorial Officer (TO)*

Usually a member of the Tutorial Office. They can view all Reports and Claims for their College. They manage the set up for the College. Role is assigned by the CamCORS helpdesk.

#### *Finance Officer (FO)*

Usually a member of the Finance Office. They can download payment data. Role is assigned by the CamCORS helpdesk.

#### *Senior Tutor (ST)*

The College's Senior Tutor. They can view all Reports and Claims for their College. Role is assigned by the CamCORS helpdesk.

#### *Director of Studies (DOS)*

Responsible for a Student's supervisions. They can approve their Students' Reports for payment and Release Reports to their Students. Role is assigned to people with the Student Advisor (DoS) role in CamSIS by the CamCORS application.

### *Tutor (TUT)*

Pastoral responsibility for a Student. They can view their Students' Reports. Role is assigned to people with the Student Advisor (Tutor) role in CamSIS by the CamCORS application.

### *Course Co-ordinator (CC)*

Responsible for Students of their College who are taking the Courses they have been assigned. Role is assigned by the CamCORS helpdesk.

### *Student (STU)*

Undergraduate or Postgraduate at the College who can receive supervisions. Role is assigned by the CamCORS application based on CamSIS data.

## **2.4 Non-College Roles**

### *Supervisor (SUP)*

Anyone who needs to create Reports or make a claim for payment needs to have the Supervisor Role. The User must register for the Role each year. They may be automatically approved for the Role or need to be approved by a Tutorial Officer. Role is assigned by the CamCORS application.

### *Supervisor – read only (SUPF)*

Supervisor whose registration has expired. Role is assigned by the CamCORS application.

### *Course Director (CD)*

A person working in a Department or Faculty who has a limited view of all Reports for the Courses they have been assigned. Role is assigned by the CamCORS helpdesk.

### *System Administrator (SA)*

CamCORS helpdesk. User can enter and update inter-collegiate Payment Rates and set up new General Claim Categories, for example. Role is assigned by the CamCORS helpdesk.

### 3 System overview

CamCORS (Cambridge Colleges' Online Reporting of Supervisions) is a web-based application developed, maintained, and supported by [CASC](#), on behalf of the Senior Tutors' Committee. CASC is part of [OIS](#), which is a company wholly owned by all the Colleges.

CamCORS is an online system for providing feedback to Students and Colleges on Students' supervisions, both Tripos and non-Tripos related, and for claiming payment for this work. It can also be used to claim for payment for other academic related work such as setting and marking of exams.

#### 3.1 Users

Supervisors and other claimants must register as Supervisors on CamCORS to create Reports and Claims.

Students and their advisors (Directors of Studies and Tutors) are derived from CamSIS data. Other Roles, such as Senior Tutor and Tutorial Officer, must be assigned in CamCORS.

#### 3.2 Home Page

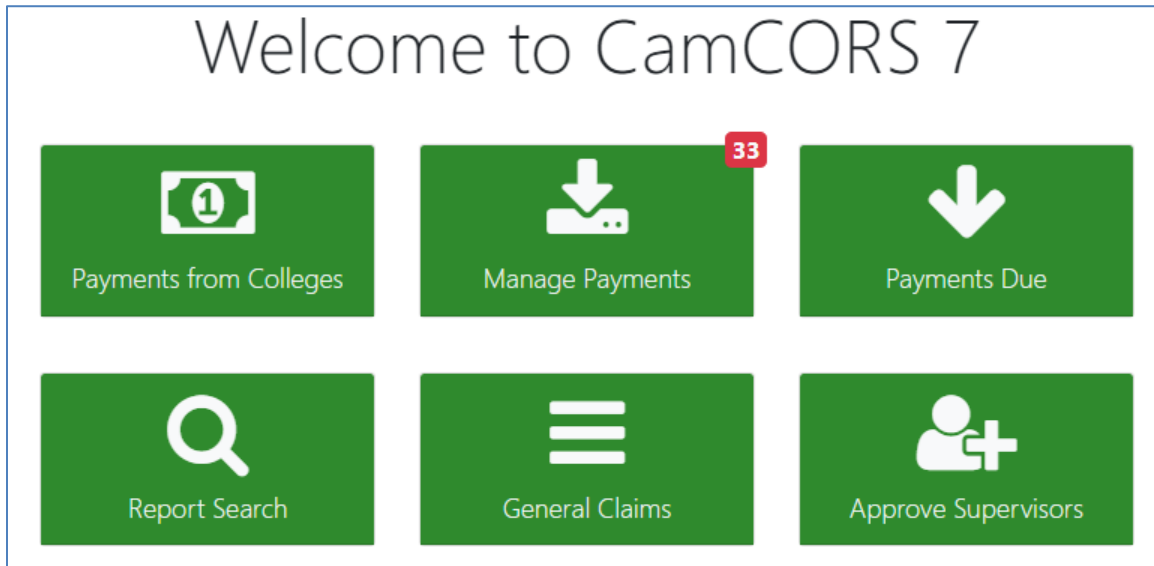

Quick links to commonly used menu items are shown on the Home page, which is displayed on login or by clicking on the [Home](#) menu.

Some of the tiles on the Home page show a number in a red badge, indicating there is data waiting to be processed.

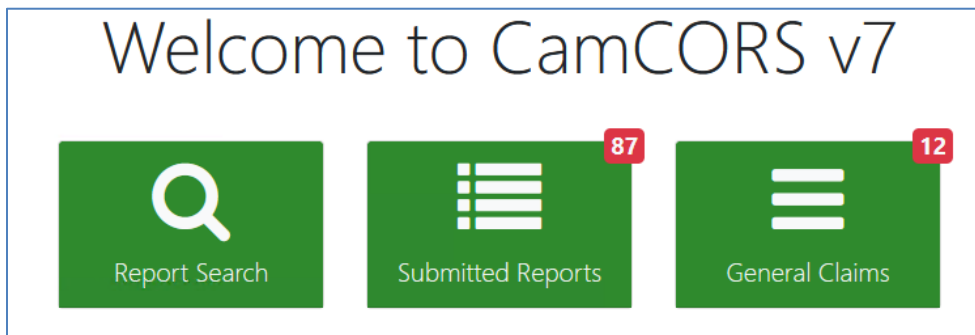

#### *Tutorial Officer*

*Finance Officer*

*Senior Tutor*

### 3.3 Data Retention

The Data Retention period has been set by the Project Board. Data is deleted if it relates to an Academic Year 10 years older than the current Academic Year. For example, if the current Academic Year is 2023-2024 then the oldest Reports in CamCORS will be for Academic Year 2013-2014.

Note: Data for Student Files should be downloaded within the Data Retention period if you need to keep it for longer.

### 3.4 Reports

Reports provide feedback to Students and Colleges on a Student's supervision (Tripos related) and non-supervision (skills) classes.

### 3.5 Claims

Claims for payment are made either by creating Reports or General Claims.

### 3.6 Payments

Payments are not made in CamCORS; however, Claims are shown as Exported when they have been downloaded to be processed in a College's external payment system.

## 4 Report Search

The Report Search page can be accessed from:

- Home > Report Search
- Supervision Reports > Search
- Non-supervision Reports > Search

All College Roles have access to the Report Search page but the search options available to them may differ slightly and the Reports to which they have access varies.

- Tutorial Officer – all Reports for Students at this College
- Finance Officer – all Reports for Students at this College (no feedback information)
- Senior Tutor – all Reports for Students at this College
- Director of Studies – all Reports for their dosees at this College
- Tutor – all Reports for their tutees at this College
- Course Co-ordinator – all Supervision Reports for their Courses at this College

The page has multiple functions:

- Quick Search
- Advanced filter
- Photos
- View
- PDFs
- CSVs
- Sending Email
- View Report  – User can Approve, Refuse, Release, comment, etc

### 4.1 Quick Search

Standard search fields available should cover most searches needed.

All, or a subset, of the Reports returned by the search can be selected (ticked) for some of the functions such as PDF, CSV and Email.

Any Report can be viewed.

## 4.8 View Report

What can be seen on a Report when clicking on the eye icon, and which actions can be carried out, depends upon the user's Role and the report's Status.

For example, a Tutorial Officer can see all the detail of a Submitted Report but only the stub of a Draft Report. A Tutorial Officer can undo the Status of an Approved Report but cannot change the Status of an Exported Report. A Finance Officer cannot see any feedback information.

## 5 Processing Reports

Reports can be processed by the Student's DoS, a Tutorial Officer, or the Senior Tutor.

Submitted Reports can be seen by going to:

- [Home > Submitted Reports](#),

### 5.2 Releasing Reports

Reports can be Released or Unreleased individually, by clicking on the Released tick box on the Report, or a batch of Reports can be Released or Unreleased by selecting the Reports on the page and clicking on 'Release' or 'Unrelease'.

## 6 Payments

Payments are not made from CamCORS however claim data is generated in CamCORS and can be exported to separate payment systems, the most commonly used being CASC's [PPS](#).

## 6.1 Manage Payment Data

On [Payments > Manage Payment Data](#) you can see how many Claims are Approved but not yet Exported. Clicking on 'Download approved claims' will download a file for each Claim Type in the dataset and mark all the Claims as Exported. The downloaded files will be in the correct format for upload to PPS.

You can also download Claims that have already been Exported by entering the Exported date range you want to download. Clicking on 'Download exported claims' will download a file for each Claim Type in the dataset.

## 6.2 Payments made to your College

If a Supervisor makes a Claim from another College with the Payment Option 'payroll' at your College, then the other College will remit payment to your College. It is useful for you to see what payments are expected and which have been exported.

### 6.2.1 Download

On [Payments > Payments > Payments from Colleges > Download Payments](#) you can download files of payments expected which can be uploaded to PPS or otherwise processed. Clicking on 'View claims' gives you a preview of 10 claims for each Claim Type.

### 6.2.2 View

On [Payments > Payments from Colleges > View Payments](#) you can select Claims Submitted within a specified date range. You can then filter on the paying College, Supervisor, Term and Claim State. This may be useful when answering queries from Supervisors on your payroll.

## 7 Emails sent by CamCORS

### 7.1 Event emails

Email notifications are sent when triggered by events in the system such as a supervisor applying to register, a report submitted with academic concern etc. Most notification emails are sent overnight. A full list of email notifications is given in [Appendix C](#).

### 7.2 Notification settings

The Tutorial Officer, Senior Tutor and DoS Roles can turn off some of the notifications they receive.

Notification emails for these Roles are sent to:

Tutorial Officer	<i>supervisions@[college].cam.ac.uk</i>
Senior Tutor	<i>senior.tutor@[college].cam.ac.uk</i>
Director of Studies	<i>&lt;crsid&gt;@cam.ac.uk</i>

To manage notification settings:

1. Go to Settings > Email Notifications
2. Click on 'Edit' to turn notifications on and off

Note: Turning off notifications for a Tutorial Officer turns off notifications for ALL Tutorial Officers at your College.

## 8 Reporting

### 8.1 Supervisions Reported

*Supervision Reports > Supervisions Reported* shows you all the Students for whom you have responsibility, and lists all their Supervision Reports for the period selected.

The data can be output as a PDF or a CSV file.

## 9 Supervision Statistics

Standard statistical reports have been provided for Tutorial Officers, Senior Tutors, Course Directors and System Administrators. Statistics can be produced for any previous Academic Year and are based on Exported Supervision Reports only.

System Administrators and Course Directors can see statistics for all Colleges without anonymisation of Colleges. Tutorial Officers and Senior Tutors can choose to see statistics for their College only or for all Colleges, however other College data will be anonymised.

All reports have the option to group by Term, Subject and Tripos Part, and any combination of these.

General Claim Categories 			
Category	Subcategory	Code	In use

If your College wants to use a new Category or Subcategory contact the CamCORS helpdesk.

### 10.2 Configure Categories

In [General Claims > Configure Categories](#) a Tutorial Officer or Finance Officer must configure the Categories that they want to allow every Academic Year. Configuration defines the rate of payment and maximum claim amounts and hours.

## Configure Categories

Configure the categories of General Claim which Supervisors can make to your College.

Categories must be configured for each Academic Year. You can copy Categories from last Academic Year, updating the rates, by clicking on 'Copy Categories'. If a Category is edited this will not affect existing Claims for that Category.

General Claims also must be enabled for your College on the [Settings > College Preferences](#) page.

Status:  Academic Year:

[Add New Category](#) [Copy Categories](#)

Category	Subcategory	Status	Payment rate	Maximum claim	
Admissions interviews	Rate 1	Enabled	Fixed - £41.94	100 hours	
Invigilation	Rate 1	Enabled	Fixed - £14.67	100 hours	
Marking	Mock Exam Marking	Enabled	Fixed - £10.18	50 hours	
Outreach	Rate 1	Enabled	Fixed - £40.00		
Study skills	Administration	Enabled	Fixed - £47.06	100 hours	

To configure a Category for use at your College you must set the following parameters.

- Rate type
  - Fixed: the Claim amount will be calculated from the hours and rate
  - Advisory: the Claim amount will be calculated from the hours and rate, but can be modified by the Supervisor
  - None: the Claim amount must be entered by the Supervisor
- Hourly rate
- Maximum hours
- Maximum amount

It is possible to copy all the Categories that are in use at your College from one Academic Year to the next with updated rates for the new year.

### 10.3 Processing General Claims

Tutorial Officers, Finance Officers and Senior Tutors can Approve General Claims. To see all Submitted General Claims go to [Home > General Claims](#) or [General Claims > Approve](#).

## 12.4 Evidence of teaching

Supervisors who no longer have access to CamCORS may contact a College to ask for evidence of the teaching they have carried out for the College. This can be provided by the report available from Management > Teaching evidence. You will need the Supervisor's CRSid.

## 13 Settings

### 13.1 College Preferences

In *Settings > College Preferences* there are some college-wide parameters that can be configured by a Tutorial Officer.

#### *Supervisors can create General Claims*

Allow Supervisors to make General Claims from your College. If this is set to 'Yes' there must be General Claim Categories configured for the Academic Year.

#### *Supervisors can create Non-supervision Reports*

Allow Supervisors to create Non-supervision Reports for Students at your College.

#### *Supervisions URL*

You can set up a webpage on your College website with college specific information for Supervisors who are claiming payment from your College. The webpage could give information about your deadlines for submission and approval, payment date runs, contact information, etc. It is up to you to keep this webpage up-to-date.

A link to the webpage will be included on all Reports for your College. It will also be shown in CamCORS on *Lookup > College Information*, which is available to most Roles.

### 13.2 Courses

Courses can be seen in *Settings > Courses*. Courses are groups of Tripos Parts and Papers. If a User has the Course Co-ordinator Role, and is assigned to a Course, they can see all

Supervision Reports relating to the Tripos Parts and Papers for that Course. A Course Co-ordinator can be given access to any number of Courses.

If a Course has a Tripos Part then the Course Co-ordinator can see all Supervision Reports related to that Tripos Part, including Supervision Reports without a Paper.

If a Course has a Paper then the Course Co-ordinator can see all Supervision Reports related to that Paper.

For example:

- To see 1<sup>st</sup> years doing French and Spanish, assign
  - MLT0 French, and
  - MLT0 Spanish
- To see 1<sup>st</sup> and 2<sup>nd</sup> years doing German, assign
  - MLT0 German, and
  - MLT1 German

Tutorial Officers can add and remove Course Co-ordinators. Click on the 'View' button and then on 'Add person'. You will need to know the CRSid of the Course Co-ordinator you want to add.

If you want to set up new Courses, or make changes to existing Courses, contact the CamCORS helpdesk.

## 15 Appendix A – Glossary

### 15.1 University of Cambridge terminology

#### *Academic Year*

The University's [Academic Year](#) commences on 1<sup>st</sup> October and finishes on 30<sup>th</sup> September each year.

#### *Cambridge Terms*

The Academic Year is divided into three terms, with a Long Vacation over the summer: Michaelmas Term (October – December), Lent Term (January – March), Easter Term (April – June).

#### *CamSIS*

[The Cambridge Student Information System](#) is the University's comprehensive system for handling student information, records and transactions. It is the official repository of a Student's record from admissions to graduation, used by staff, Students and alumni to manage and extract student data.

#### *Card Office*

[The UCAM Card](#) (or University card) is a contactless identity and access card issued to University staff and Students, produced by the Card Office. Photos of Students are retrieved from the University Card system to add to CamCORS student records.

#### *CASC*

Software development part of OIS.

#### *Class*

A grade of honours, as in First Class, Second Class, Third Class. Unlike most undergraduate degrees, Cambridge Students receive a Class for each year of their B.A. (undergraduate degree).

#### *College*

As well as being members of the University and an academic faculty/department, undergraduates also belong to a College. There are 31 semi-autonomous constituent Colleges, communities of students, academics and staff. [29 Colleges admit undergraduates](#) to the University, they each provide undergraduates with accommodation and pastoral support, and organise elements of their Students' tuition in the form of Supervisions.

#### *College Office*

Each College has a College or Tutorial Office which is typically responsible for supporting Students throughout their academic life, by administering admissions, Student records, examinations, and graduation.

### *Collegiate University*

The University and Colleges are independent institutes, when referring to them collectively the phrase 'collegiate University' is used.

### *CRSid*

[The Common Registration Scheme identifier](#) is a unique username for University staff, Students, and affiliates. The CRSid is used as the local-part of University e-mail addresses (the part before the '@' symbol) and when accessing online resources.

### *Director of Studies (DoS)*

Supervisions are typically organised by Directors of Studies, appointed by Colleges, who are responsible for the oversight of Students' academic work in a particular subject within a College.

### *EAMC*

[The Examination Access and Mitigation Committee](#) considers applications for Students to disregard terms; receive dissertation and coursework extensions; accept illegal combinations of papers; remit fees; and intermit from Triposes. These applications typically require evidence, which can include Supervision Reports.

### *Faculties and Departments*

The University has six Schools, which constitute administrative groupings of [Faculties and other institutions](#). University Faculties organise teaching and research into individual subjects or groups of subjects, their work is normally organised into sub-divisions called Departments.

### *H01 Code*

[A unique identification code](#) for every Tripos.

### *H03 Code*

A unique identification code for each Paper, and other explanatory texts for exam enrolment. If a Paper is 'borrowed' by Students enrolled in another Tripos, it will have a separate H03 Code for that Tripos.

### *Intercollegiate Re-charge Rate*

Colleges set their own payment rates for Supervisions, however when a Supervisor teaches Students from a different College there is an agreed rate at which one College will

reimburse the other for that work. [The intercollegiate re-charge rate](#) is set for each Academic Year by the Colleges.

### *Jackdaw*

[Jackdaw](#) is the University Information Services' administrative database. Jackdaw holds consolidated Actor administration records for staff and Students in the University, it receives daily feeds from CamSIS, the Card Office, and periodically feeds into a variety of services/systems.

### *OIS*

Office of Intercollegiate Services...

### *Paper*

A Paper is an individual module, unit or topic on an undergraduate course. Students usually take a number of papers each year (some are compulsory and some can be chosen from several options).

### *Part*

Each Tripos is divided into one or more Parts, an undergraduate must complete a number of Parts in one or more Triposes to qualify for the B.A. degree. Most Triposes are divided into two Parts, and as Triposes are typically three years in length one Part will be divided over two years, e.g. Part IA, Part IB, and Part II. Some Triposes, e.g. the Mathematical Tripos, have three Parts, of which the third is additional to the requirements of a BA and is more or less the equivalent of a postgraduate certificate of research.

### *PPS*

PPS is CASC's Payment Preparation System which is used to process claims exported from CamCORS and generate payments.

### *Raven*

Raven is the University's [central web authentication service](#), utilising CRSid's for user identities. Raven accounts are created as a matter of routine for Students and University staff but can otherwise be created by the University Information Services.

### *Semester Student*

A CamSIS attribute for a Student from overseas who is studying a degree elsewhere but taught partially by the University.

### *Senior Tutor*

Each College has a Senior Tutor, an officer with wide-ranging responsibilities within the College across both educational and pastoral matters. They typically maintain close contact

with Directors of Studies and Tutors with an overview of the Supervision system, and awareness of College teaching in different Triposes.

### *STC*

Senior Tutors' Committee, ultimately responsible for CamCORS.

### *STEC*

Senior Tutors' Education Committee, a sub-committee of the STC.

### *Supervision*

A Supervision consists of small group teaching led by a Supervisor, someone learned in the subject being studied, to explore the curriculum in greater depth and/or breadth. Compared to University teaching, which is organised by Faculties and Departments and provided to all Students studying a course regardless of College membership, supervisions are typically organised by Colleges for their own Students.

### *Supervisor*

Supervisions are held by Supervisors, academics such as PhD students, post-doctoral researchers, and contracted teaching staff appointed by Colleges or the University. Supervisors are not necessarily a member of the same College that the Students they supervise belong to, they can also be unaffiliated with any College or sometimes external even to the University. For these reasons, a Supervisors can be on a College's Payroll, be paid by a University Faculty or Department or essentially be self-employed.

### *Student*

Supervisions are primarily provided for Triposes, however they are also given to those studying some postgraduate courses such as taught Masters courses, Clinical Medicine, or Clinical Veterinary Medicine. University of Cambridge Students who receive Supervisions can therefore be undergraduates or postgraduates. All Students are a member of a College, a Student cannot be affiliated with multiple Colleges but can transfer between Colleges during their studies.

### *Tripos*

Cambridge undergraduate courses are assessed through examinations in broad subject areas formally called [Triposes](#), e.g. the Historical Tripos. For this document, 'Tripos' will also refer to non-undergraduate courses which also use Supervisions, and therefore utilise CamCORS (see paragraph **Error! Reference source not found.** for examples of such courses).

### *Tutor*

A Tutor is a Tutorial Officer who is responsible for providing 'pastoral support' to Students. Tutors may be approached for advice in addressing questions about financial, health, family or other personal issues that may be affecting their Students' ability to pursue their studies effectively.

### *UIS*

The [University Information Services](#) provide a range of IT services for all Actors at the University.

### *University*

[The University of Cambridge](#) is a collegiate research university, with over 150 academic departments, faculties and other institutions organised into six Schools. For undergraduates the University determines course content; organises lectures, seminars, practicals and projects; sets and marks examinations; and awards degrees.

### *University Lookup*

[University Lookup](#) is a database containing information about every person and every University institution known to University Information Services, together with a small number of University-related institutions. It functions as the primary online telephone and email directory for the University.

### *USN*

The Unique Student Number is a 9-digit number allocated to each Student when they become a member of the University, used to identify individual Students.

## **15.2 CamCORS terminology**

### *Activity*

An activity that a Non-supervision Report can be written for.

### *Actor*

An Actor is any person who accesses CamCORS, due to them receiving, giving, arranging, or reviewing Supervisions or Non-supervision activities.

### *Claim*

Any Supervision Report, Non-supervision Report, or General Claim created in CamCORS. Ultimately, Claims are exported by Finance Officers to pay Supervisors for their work.

### *Claim State*

A Report or Claim transitions through several distinct states in CamCORS, from its creation to processing for payment or rejection.

### *Claim Type*

Supervision Report, Non-supervision Report or General Claim.

### *Claimant*

A person that drafts and submits a claim, via CamCORS, for some work undertaken. A Supervisor (see paragraph 0) will be a Claimant but a Claimant does not have to be a Supervisor – they could be claiming for some work other than a Supervision (see paragraph 0).

### *Course*

The Tripos Parts and Papers that a Course Director can view.

### *General Claim*

In Version 6 this was called General non-supervision activity. Work which is not related directly to a Student or Students, e.g. invigilating a mock exam. A College chooses which categories of General Claim can be submitted by an Actor and its details (e.g. hourly rate, maximum amount, maximum hourly rate).

### *Payment Option*

The way in which a Supervisor elects, or is allowed to be, paid. (In v6, this is known as Payment Method.)

### *Postgraduate*

Students in CamSIS with a Career of 'Postgraduate'. For the purposes of Supervisor Registration and management reporting Clinical Medics and Vets will be regarded as Postgraduates.

### *Report*

A Report provides detailed feedback to the Student, is viewed by the Student's Director of Studies and Tutor to monitor their progress, and provides statistical information to the College. There are two types of Report:

#### *Non-supervision Report*

In Version 6 was called Per-student non-supervision activity. A Supervisor creates a Report for an activity where they have performed work other than a Supervision which applies to individual Students. These activities are restricted to 'Study Skills', 'English Language Skills', and 'Foreign Language Skills'.

#### *Supervision Report*

In Version 6 was called a Report. Supervisors create Reports for all the Students they supervise on a termly basis, for Tripos-related teaching.

### *Role*

Actors of CamCORS are given access and editing rights based on their need to use the system, from set permissions provided to specific Roles. Role names are meant merely as a reminder of their capabilities. An Actor may have multiple Roles, across multiple Colleges.

An Actor will be logged into CamCORS with a single Role. If an Actor is a DoS and also a Tutor then they will have two roles – DoS and Tutor. They will only be able to act under one of those roles at any time.

### *Student Hours*

The number of hours of teaching given to a Student.

### *Supervisor Category*

The most senior academic post held by a Supervisor, self-certified by the Supervisor.

### *Supervisor Hours*

The number of hours of teaching given by a Supervisor to one or more Students. This will be different to Student Hours if there is more than one Student in a Supervision. For example, if there are two Supervision Reports, each for two hours in a class of two Students, this represents four Student Hours and 2 Supervisor Hours.

### *Undergraduate*

Students in CamSIS with a Career of 'Undergraduate'. For the purposes of Supervisor Registration and management reporting Clinical Medics and Vets will be regarded as Postgraduates.
